Summer Reading

Students entering grades 1 – 8 are encouraged to continue reading over the summer. The following is a suggested list of books for 6th grade. Students may choose a book from this list or another grade level appropriate book.

During the first few days of school students will be required to make a brief oral presentation. This presentation will be graded. Students may choose to draw a picture, make a poster, or create a comic strip...whatever they would like to do. This is their chance to let their personality and creativity shine while introducing themselves to their classmates.
